The Ultimate Laser Tag Battle in Your Own Backyard!

The Gear!

Our new outdoor gear is here and we can bring it to your own backyard party. We've invested in the best gear available, our **Tactical Laser tag Rifles** have a range of

over 500ft. in direct sunlight. Add **red dot scopes** and **reload clip action** and you have the most advanced outdoor laser tag system available. Add in **grenades,**

medic and **ammo controllers** and you have the **Ultimate Out Door laser tag game!**

The Game!

Battle it out with your friends like never before. Test your skills with our elimination "free for all" and team games. For a greater challenge try capture the flag, commander, or adding grenades, medics to restore teammates lives and an ammo sergeant to provide additional clips to your teammates. We can vary many game settings like; **shot power, shot rate, # of clips, shots per clip, # of reloads, # of hits to be eliminated, # of medic lives... for an endless number of game formats!** Have a game in mind? Call us before your party and we'll set it up your way.

Need a playing field?

We can bring our inflatable bunkers for the Ultimate backyard or corporate battle!
